## Hanukkah celebrations and TAU President's visit to London

With the reopening of Israel to tourism this month heralding a new beginning as well as the joy of upcoming Hanukkah celebrations we can look ahead to an exciting 2022 full of gatherings and learning.

In the same vein we are delighted to be welcoming TAU President Professor Ariel Porat on a two-day visit to London next week for the first time since the start of the pandemic. He will be attending meetings, talking to Government Ministers and participating in a round-table conversation with UK university leaders in a discussion led by the Israeli Embassy. He will be accompanied by TAU VP, Amos Elad.

Please take a look at our Hanukkah advertising in the Jewish press and below highlighting new ideas – and shining a light on Tel Aviv University as a centre for entrepreneurship and innovation technologies.

We were saddened to learn of the untimely passing of TAU Governor and friend, John Porter, a much loved and generous supporter of TAU over many years. He will be sorely missed by all who knew him.

On behalf of the Trustees and all at TAU Trust and the thousands of students, faculty and staff at Tel Aviv University, we warmly wish you and your family a bright and meaningful Hanukkah.

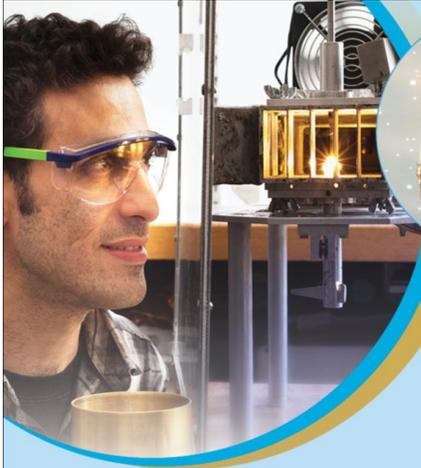

Chag Sameach!
