Dear Daniela,

With Pesach fast approaching, I would like to wish all of our friends and supporters a Chag Sameach.

Right now, the *Spirit of Freedom* is a message that seems more poignant than ever. As Israel's largest institution of higher education, it is our mission to provide every student with the freedom to learn. Pictured above, Maryana Sytar and Maiia Levinson are among seven (and counting) Ukrainian refugees to gain a new understanding of what freedom means to them. Escaping a war-torn region and finding sanctuary with us at TAU, it is thanks to our supporters that they will be able to experience a true taste of freedom. With your help, Ukrainian students will be able to realise all that

educational freedom has to offer. [Click here to](#) read more about the scholarship fund, and please share the [campaign link](#) with your friends and family.

On behalf of the whole team at TAU Trust, I would also like to take this opportunity to express sorrow and outrage as we mourn two TAU students, Eytam Magini and Tomer Morad, who were murdered in last Thursday's terror attack in Tel Aviv. May Pesach usher in an end to violence and heartbreak, and a complete spirit of freedom and peace.

In happier news, I am delighted to invite you to a very special Night at the Movies, which you may have seen advertised earlier this week. Please join us and [book](#) early to avoid disappointment!

I hope you enjoy your holidays,
Shabbat shalom,

Cara G. Case
Chief Executive
