We are delighted to have the opportunity to meet Golden Globe award winner Hagai Levi to hear more about TAU's Steve Tisch School of Film & Television's many success stories! With shows such as *Fauda*, *Homeland*, *Our Boys*, *Tehran*, and *The Beauty Queen of Jerusalem*, the school's alums are prominent ambassadors of Israel's cutting edge TV & Film exports.

Hagai's Hollywood achievements are remarkable and thrilling, with intense stories and insights to excite film buffs and laymen alike. It is an honour to be premiering a Director's Cut of Hagai's graduation film, *Snow in August*, a worthy showcase for his extraordinary talent and hard work.

We are pleased to have Dan Patterson, Olivier nominated playwright, writer, producer and creator of *Mock the Week* and *Whose Line is it Anyway* as the evening's moderator.

With only a few days left to book, please don't forget to [secure your seat](#) at BAFTA and join us for an event that will deliver a showstopping cinematic experience.

Enjoy the upcoming Queen's Jubilee celebrations and Chag Sameach,

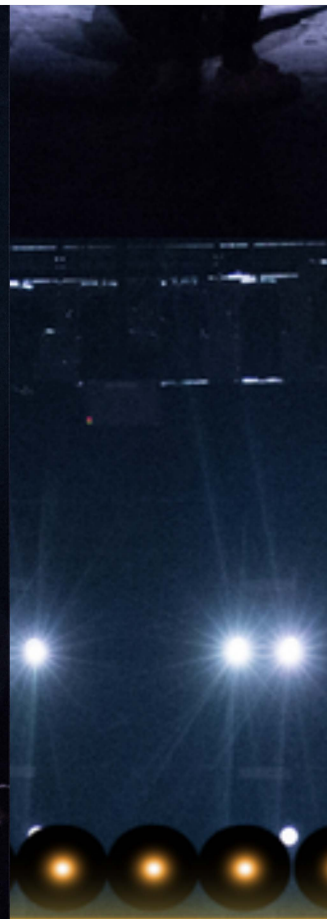

Cara G. Case  
Chief Executive

Tel Aviv University  
50 years of creation

Founded in 1972, the **Steve Tisch School of Film and Television** offers unique and diverse opportunities for developing proficiency in film and television production and for studying film history, theory, and criticism. Many of Israel's most prominent filmmakers, scholars and critics are among its graduates; student films produced in the school are regularly screened and win awards in prestigious international festivals.
