

Last week, we celebrated the Steve Tisch School of Film and Television's 50th anniversary at a red-carpet event at BAFTA, where we welcomed TAU alum Hagai Levi, who talked about his celebrated career in a lively conversation with *Mock the Week's* Dan Patterson. Our audience was the first to see Hagai's film that he re-edited and restored for our event. Please read Brigit Grant's fabulous article about [Night at the Movies](#) that is in the *Jewish News* this week. Click [here](#) to view a photo gallery of some very memorable moments starring Hollywood actress Ruth Wilson, Hagai, and more!

Tel Aviv University has been busy, and I hope you have a moment to read about some amazing updates on our star faculty and students.

We apologize that the webinar planned for this week was cancelled due to unforeseen circumstances but hope to reschedule that soon.

Shabbat Shalom,

Cara G. Case
Chief Executive

EVENTS

Cyber Week 2022
June 27–30, 2022

Cyber Week is a large annual international cybersecurity event, hosted each year at Tel Aviv University. Over the past 12 years, Cyber Week has become internationally acclaimed as one of the top cybersecurity events in the world. Cyber Week offers a unique

gathering of cybersecurity experts, industry leaders, startups, investors, academics, diplomats, and government officials. Events will run for a full week and include over 50 roundtables, panels, workshops, forums, BSides, competitions, and more.
