Our Thoughts and Prayers Go Out to the People of Israel

Like many of you, we follow the recent events in Israel with great concern, praying for a quick and peaceful resolution that will allow a return to normal life. We stand in solidarity with our colleagues, students and friends in Tel Aviv, and all citizens of Israel, as civilians are being targeted for vicious attacks and major cities, including Tel Aviv, are held under Hamas' rocket fire.

To help make sense of it all, we invite you to join Prof Asher Susser, a world renowned expert on the Middle East whose research focuses on the history and politics of the Palestinians and Jordan; religion and state in the Middle East; and Arab-Israeli issues, for an overview of the situation and the ways Israel can move forward. The webinar will be held next Wednesday at 5:00 pm. Prof Susser was a guest of TAU Trust in past years, and has a

vast following here and around the globe. You can find more details in the 'Upcoming Events' section of this email.

If you missed the Dan David Prize Award Ceremony live broadcast earlier this week, you'll be able to find it, and other past events, in the 'Webinar Library' section of this email; and don't forget to book your tickets to the London Design Biennale, where you can be part of TAU's installation for the Israeli Pavilion: "The Boiler Room".

Please note that we recently moved to a new address: Platinum House - Gabriel Mews, Crewys Road, London NW2 2GD. Please direct any correspondence to us there.

We wish you a peaceful weekend and Shabbat Shalom,

Cara G. Case

Chief Executive
